PROCEEDINGS OF THE CALIFORNIA ACADEMY OF SCIENCES, FOURTH SERIES

Scientific Publications
California Academy of Sciences
55 Music Concourse Drive
Golden Gate Park
San Francisco, CA. 94118
UNITED STATES

The California Academy of Sciences began publishing the results of scientific research in 1854. Today the Academy publishes at irregular intervals three scientific series: *Proceedings*, *Memoirs*, and *Occasional Papers*. (This catalog lists the fourth series of *Proceedings*; the previous three series are no longer available). Please note that o.p. stands for "out of print". In addition, the Scientific Publications department offers a number of other Academy publications that are not included in the above series (please see other catalog download links on the website).

*Note: Articles published from V54 on are not available for separate purchase since they're included in a series of bound volumes. If you wish to obtain a single copy, please contact the author.
