in a forthcoming issue of the *Proceedings of the California Academy of Sciences*, and I hereby transfer to the California Academy of Sciences my copyright rights to all of the material I contributed to the said *Proceedings* with the following reservations: (1) During my lifetime, I shall have the right to reuse and republish any of the material, or amended versions of it, in any publication for which I am author or co-author; (2) During my lifetime, no one else shall be allowed to use or publish any of the material that I submitted for publication in the Academy's *Proceedings*, and which was then published in said *Proceedings*, without first obtaining permission from both myself and a representative of the California Academy of Sciences, Scientific Publications, except for short quotations or reviews and otherwise original works of research; (3) I grant the California Academy of Sciences a non-exclusive royalty-free license to display my contribution *as it appears* in the *Proceedings* in electronic format and either itself display it on the Internet or via other electronic media or contract with a third party to display it on the Internet or via other electronic media, allowing the users to view and print the information for scholarly/research purposes only and providing in all instances that my name, as author, is clearly associated with the article and the source of the article clearly identified.

I acknowledge that I have received permission to reproduce images and other materials included in my presentation where the ownership and copyrights to those materials reside with other persons and/or institutions. I have acquired the necessary permissions to use these copyrighted materials in my article and have so informed the Academy's Editor of Scientific Publications. I hold the California Academy of Sciences blameless for any omissions on my part and/or my failure to obtain the necessary releases.
