

Cantonese-English Bilingual School Programs Volunteer Position Description (Flexible and/or On-call)

Position Title: Cantonese-English Bilingual School Programs Volunteer

Department: Education

POSITION SUMMARY:

Reporting to the staff of the Student Education team within the Department of Teacher and Student Engagement, the Cantonese-English Bilingual School Programs volunteers are responsible for assisting in the facilitation of [onsite](#) experiences for K-5 students. Each volunteer will pair up with a staff educator to facilitate the program. The overarching vision for the Teacher and Student Engagement group is that K-12 educators facilitate meaningful, co-constructed science experiences such that students are motivated and able to apply sustainable solutions to their lives.

School programs volunteers are invited to attend optional training workshops on teaching students. This volunteership is open to anyone who fits the qualifications below. We can also work with volunteers who are seeking academic credit, or need a project-based experience to fulfill a graduation requirement.

The California Academy of Sciences welcomes people of all backgrounds, identities, and beliefs to join us in achieving our mission to explore, explain, and sustain life. We place diversity, equity, and inclusion at the heart of our recruiting efforts and strive to build a culture centered on mutual respect, equal treatment, and the opportunity to succeed.

ESSENTIAL DUTIES and RESPONSIBILITIES:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. Reasonable accommodations may be made to enable persons with disabilities to perform the essential functions.

- Assist education staff in teaching, onsite field trip activities in the museum's onsite classrooms
- Prepare and maintain supplies, educational materials, classrooms and work spaces
- Provide administrative support as required
- Follow all Academy safety regulations
- Other duties as required

MINIMUM QUALIFICATIONS:

The qualifications listed below are representative of the knowledge, skill, and/or ability required or preferred.

EDUCATION and/or EXPERIENCE:

A qualified candidate will have a combination of the following experience and/or equivalent education:

- Interest in informal science education or a formal classroom preferred

KNOWLEDGE, SKILLS and ABILITIES:

- Comfortable speaking to groups of 40 people at a time

CALIFORNIA
ACADEMY OF
SCIENCES

- Openness to new ideas and flexibility to constantly tweak programs
- Excellent interpersonal and communication skills
- Interest in non-traditional learning environments and informal learning strategies
- Willingness to learn and a strong desire to support the Academy's mission

LANGUAGE SKILLS:

- Bilingual fluency Cantonese and English is required; including speaking and reading (technical level is not required).
- Ability to speak effectively before groups or individuals.

SCHEDULING REQUIREMENTS:

Schedule will be between 8:45am-1:30pm Monday to Thursday until the end of May. Applicants may choose any number of mornings or be on an on-call basis. Participation is encouraged at occasional group trainings on Friday mornings.

PHYSICAL DEMANDS and WORK ENVIRONMENT:

While performing the duties of this position, the volunteer is frequently required to talk, hear and tolerate high levels of noise. Reasonable accommodations may be made to enable individuals with disabilities to perform these essential functions.

TO APPLY:

Please complete the [volunteer application](#) and select the Education/Outreach checkbox under "Museum Area of Interest". For details about this specific volunteer position, contact educatorintraining@calacademy.org.

The California Academy of Sciences will give full consideration for employment to all qualified applicants with criminal histories in a manner consistent with the requirements of the [San Francisco Fair Chance Ordinance](#) (SF Police Code, Article 49).

The California Academy of Sciences is an Equal Opportunity Employer and is committed to ensure that all employees and applicants receive equal consideration and treatment, regardless of race, color, creed, gender (including gender identity or gender expression), religion, marital or domestic partner status, age, place of birth, national origin or ancestry, physical, mental or medical disability, height or weight, sex, sexual orientation, citizenship, military service status, veteran status, or any other characteristic protected by state or federal law or local ordinance.
